Cooperation offer- Ava Laboratorium Kosmetyczne; cosmetics manufacturer

AVA is the first private cosmetics producer in Poland and exist for more than 50 years. AVA is a producer of a wide range of cosmetics including natural and organic cosmetics certified by ECOCERT. The export to overseas market is becoming more and more important to us, specially to the Persian Gulf.

We are interested to work with an importer & distributor with at least 3 years of experience in the cosmetics branch whose range of already distributed cosmetics shall complementary with ours in order to obtain a synergic effect. After obtaining an agreed level of turnover we are keen to sign a distributorship agreement.
