Cooperation offer- IWONA SPECIALTY CLINIC; medical aesthetic clinic

Iwona Specialty Clinic is a cutting edge medical aesthetic clinic, founded by Iwona Pruska who has a Masters degree in Cosmetology. We offer the latest innovations in aesthetic surgery, Botox, filler, skin rejuvenation, laser hair removal, body rejuvenation and hair restoration. Iwona Specialty Clinic takes pride in the personalized attention provided to every patient, we love helping women to feel good about themselves. Our passion is to bring back their soul and body together.

Iwona designed a series of facials and body treatments in which results were applauded and appreciated by the Royal Families, Celebrities and VIPs who are either living in Dubai or visit from all over the world to experience the scientific treatments through the non-surgical tailor made therapies for face and body such as and not limited to laser hair growth, laser hair removal, skin rejuvenation and slimming treatments.

During her 34 years of experience, Iwona has managed to transform the beauty and wellbeing to facts that speak for themselves and the increasing number of very satisfied clients show what results Iwona's passion, total commitment and creativity can achieve.

Women are beautiful creatures by nature, women deserve to be pampered and cherished. A woman's happiness starts by feeling good and looking her best. Our goal at Iwona Specialty Clinic is to maintain this value and strive to keep every woman happy, satisfied and confident with her beauty and good looks.

We are the beauties soldiers carrying all our latest technologies and knowledge to beat and win the battle of keeping every woman beautiful.
