Cooperation offer- Meden-Inmed; medical devices manufacturer

Meden-Inmed is the leading medical manufacturing company in Poland, offering the highest quality medical devices since 1989.

Thanks to the modern production technologies, experienced designers and close cooperation with medical industry representatives Meden-Inmed's medical devices are appreciated worldwide.

Wide range of equipment produced includes massage and treatment tables, the most versatile and aesthetic couches available on the market. Department of rehabilitation also designs and produces neurorehabilitation tilting tables and walk simulators, improving life functions of numbers of patients worldwide.

Among the company's most recognizable products are hydrotherapy and balneotherapy equipment, such as bath tubs, whirlpool tubs, jet showers and dry water beds, widely used in rehabilitation and Medical SPA & Wellness. Axelero treadmills have proven to be one of most durable stress test platforms.

MEDEN-INMED is an ISO-certified and CE marked company located conveniently in the north of Poland, with good access to both main Baltic ports and international roads.

Meden-Inmed also provides contract services in the field of design, development and final product or components manufacturing. MEDEN-INMED is open for clients' needs and can produce equipment that meets customers' expectations.

We're looking for distributors of the physiotherapy equipment as well as OEM partners willing to manufacture their devices in a modern, efficient factory in Europe.
