Cooperation offer- Exploration Plc. (Poland)/ RGE Crystal Solutions (UAE, Mozambique); identifying and commercializing innovative technologies, partnerships with universities, research partners and strong financially and well-positioned investors

ABOUT OUR COMPANY

We act as business partner and consultant and a bridge between ideas owners, universities, research institutes and business markets.

Our coverage spreads across continents and various business sectors (we focus on Middle East and Africa).

We assist our partners with ideas to business transitions and to move theory into real life environment.

We are dedicated to identifying, business matching, growing and commercializing innovative technologies.

We offer necessary multidimensional leverage through partnerships with universities, research partners and strong financially and well-positioned investors.

We listen to your ideas and through our international network.

When you work with us, we find and engage businesses into investment stage.

Our team offers a mix of industrial hands-on experience.

This enables us to provide an unparalleled professional, reliable, quality service to our local, regional and international Clients.

We represent number of companies from Poland and are looking for introducing them into UAE market.

Business sectors of interest include FMCG, Construction, Mining and Drilling, Transport solutions including production of equipment, Furniture and Steel Industry.
