FLOWER EXPO POLAND 2018

2018-06-18 14:37:29

The third edition of FLOWER EXPO POLAND, will take place between 6th - 8th of September 2018 in Warsaw, Poland. It is the biggest horticulture fair in Poland for flowers and indoor plants and part of the well-known gardening event: 26th International Exhibition "GREEN IS LIFE".

FLOWER EXPO POLAND (FEP) is an integral part of ZIELEŃ TO ŻYCIE (GREEN IS LIFE) exhibition since 2016 and it's being the biggest show for the horticultural sector.

GREEN IS LIFE exhibition is dedicated to garden plants, technics, technology and equipment for nurseries and gardens, while FLOWER EXPO POLAND focuses on cut flowers, indoor plants and added value products like vases, pots and floristic decorations. It is intended for florists, growers, traders and other companies operating in this sector.

An important added value of these events is a very interesting side program with flower shows, trade workshops and seminars.

Last year's edition of GREEN IS LIFE event, accumulated a total of 300 exhibitors, including 45 companies at FLOWER EXPO POLAND, representing such countries as: Germany, Holland, Italy, Colombia, Ecuador or Kenya.

The fair was also attended by professionals, such as landscape architects, growers, sales and retail representatives, florists and flower wholesalers, importers and exporters, suppliers of gardening and floristic products and services, and local government officials responsible for green space.

Polish Florist Association together with Embassy of the Kingdom of the Netherlands in Warsaw and SIGMA International (Poland) PR agency are partners and ambassadors of the event.
