VICE-PRESIDENT AND PRIME MINISTER AND RULER OF DUBAI

الإمارات العربية المتحدة
UNITED ARAB EMIRATES

شكراً لقيادته دولة رئيس مجلس الوزراء حاكم دبي

Her Excellency Mrs. Beata Szydło
Prime Minister of the Republic of Poland

April 1, 2016

Dear Excellency,

I would like to extend an invitation to the government of the Republic of Poland to participate in Expo 2020 Dubai, from 20 October 2020 to 10 April 2021.

In November 2013, 116 of 168 voting member states of the Bureau of International Expositions selected Dubai as host of the next World Exhibition. With the strongest result in BIE history, the UAE humbly acknowledged global support as a resounding endorsement of its bid, based on the premise of 'Connecting Minds, Creating the Future' and building partnerships fit for the 21st century.

These themes are synonymous with the UAE's experience as home to people from different walks of life and as incubator of their respective knowledge and expertise. Some of the UAE's iconic moments were born as a result of global partnerships, pushing the boundaries of possibility and collectively building solutions for 21st century needs.

The participation of Poland in the world's most prominent mega-event will send an important message. Poland will have access to a truly global platform to build new connections with the very best the world has to offer. The UAE sits at the heart of newly emerging centers of economic gravity and Expo 2020 Dubai will be the first international exposition ever to be held in the region of the Middle East, Africa and Southeast Asia.

Over the last five years, events in our region have shown that it is imperative to respond effectively to the aspirations of our youth and to provide them with opportunities to fulfil their ambitions. Amidst our shared challenges for global peace and security, participation in Expo 2020 Dubai offers a positive message to the people in our region as well as the rest of world. An exchange of cutting edge knowledge and expertise will impact the capacity of our region and its wider neighbourhood to build solid foundations for stability and human progress.

The year 2021 also marks a significant milestone in the UAE's history; its Golden Jubilee celebration. I look forward to sharing that occasion with you.

Sincerely

Mohammed Bin Rashid Al Maktoum
